Step 8 - Assemble Your Preferred Lines & Rewrite

A new idea often blasts off when you put an old idea on the launching pad and adjust the settings. How would this work if it were that...?

Copy and paste the lines you have selected onto a fresh page then rewrite each line to suit your needs. For example:

Preferred lines:		
Three words/ideas	<input checked="" type="checkbox"/>	Air France: New. Fast. Efficient
People	<input checked="" type="checkbox"/>	You're amazing. We want you to stay that way. (BUPA medical ins)

Imagine you were developing lines for Kickers chocolate bars.

Rewrites:

Choice:

Three words/ideas	<input checked="" type="checkbox"/>	Air France: New. Fast. Efficient
-------------------	-------------------------------------	----------------------------------

Rewrite:

Kickers	<input type="checkbox"/>	Tradition. Quality. Taste.
---------	--------------------------	----------------------------

Choice:

People	<input checked="" type="checkbox"/>	You're amazing. We want you to stay that way. (BUPA medical ins)
--------	-------------------------------------	--

Rewrite:

Kickers	<input type="checkbox"/>	You're discerning in all you do. So let Kickers be your reward.
OR	<input type="checkbox"/>	You're discerning. So Kickers is your reward.
OR	<input type="checkbox"/>	You're picky. Your reward is Kickers.

Good luck!
